16:00-16:10 Q&A and Panel discussion
Moderators and speakers

16:10-16.30 Keynote lecture
Redefining PAD Therapy: The Promise of GLP-1 Modulation

16:30-18.30 **Happy Hour at Global village**
Poster presentation of national angiology societies, European and national registries, European associations

FRIDAY, 17th APRIL 2026

07.00 – 07.45

ESVM MORNING RUN

08:30-09:20

Plenary

Beyond swelling: Exploring Lymphatic, Adipose, and Venous Disorders

08:30-08:40

Why Lipedema is not lymphedema?

08:40-08:50

Chronic venous disease therapies: drug perspectives

08:50-09:00

Diet and lipedema

09:00-09:10

Novelties in lymphatic anomalies treatment

Isabelle Queré (France)

09:10-09:20

Q&A and Panel discussion

Moderators and speakers

09:20-10:20

Oral Communications

10:20-10:50

BREAK

10.50-11:20

Plenary session (Novartis)

Advancing Lipid Therapy: Innovations in Treating Dyslipidemia to Protect Vascular Health

11.20-12:20

Plenary Workshop

IVUS in venous and arterial management

12:20-13:20

LUNCH

13:20-14:10

Plenary

From Prevention to Therapy: Advances in Vascular care

13:20-13:30

Food as Medicine: The Role of Nutrition in Vascular Prevention

13:30-13:40

Targeting Inflammation in PAD: Emerging Role of Anti-Inflammatory Therapies

13:40-13:50

Targeting Vascular Disease Through Incretin Pathways

13:50-14:00

2025 Guidelines: What's New, What Matters Most in lipid management

14:00-14:10

Q&A and Panel discussion

Moderators and speakers

14:10-15:00

Parallel

Moderated posters

15:00-15h30

BREAK

15:30-16:20

Plenary – *ISTH joint session*

From Tradition to Innovation: evolving anticoagulation strategies

15.30-15.40

Beyond Today's Standards: Transitioning to the Next Generation of Anticoagulants

15:40-15.50

Bleeding Challenges in the Era of Modern Anticoagulation

15.50-16.00

Old but Essential? Reassessing Vitamin K Antagonists and Heparins in the Era of Innovation
